Dear Buck,

I am pleased to inform you that your "Bay of Pigs" article has been reviewed without security objection. In response to your question about the Agency's review of manuscripts, I have been informed that this is done to assist the author in eliminating classified information, if any; however, that review neither constitutes CIA authentication of material nor implies CIA endorsement of the author's views. This is the reason for the wording "no security objection" as opposed to "has been approved." You should receive in the very near future a formal notification of this review. I regret that it took so long to respond to your request.

I enjoyed reading your article and found it interesting. Thank you for writing and best wishes.

Sincerely,

/s/ Harry E. Fitzwater

Harry E. Fitzwater  
Deputy Director  
for  
Administration
